

VICTORY PUBLIC CHARTER SCHOOL  
Parent Notifications – Federal Programs – August 28, 2017

Regarding Right to Receive Teacher Information:

Federal law requires that each school district receiving Title 1 funds notify parents of each student attending any school receiving these funds that information regarding the professional qualifications of their child's classroom teacher(s) may be requested.

As a parent of a student attending a school receiving federal program funds, you have the right to know: Is my child's teacher licensed to teach the grades and subject(s) assigned? Is my child's teacher teaching with a provisional license, meaning the state has waived requirements for my child's teacher? What is the college major of my child's teacher? What degree or degrees does my child's teacher hold? If there are instructional aides working with my child, what are their qualifications? If my child is or will be taught for 4 or more consecutive weeks this year by a teacher who is not highly qualified, will I be notified in a timely manner? To request the state qualifications for your child's teacher or instructional aide, please contact the school office at 442-9400.

School Annual Report Card: Over Victory's history, and no matter the assessments conducted, the school has continuously outperformed State academic outcomes, as well as nearby district outcomes, while achieving 100% graduation rates. Parents and the community at large can access Victory's Annual Report Card at [victorycharterschool.net](http://victorycharterschool.net), and clicking on About Us, then School Report Card. There, you will be connected to the SDE website for the school's outcomes. Additionally, charter schools authorized by the Idaho Public Charter School Commission receive an Annual Report from the Commission available to the public in which a school's academic outcomes, operations & finances are reported and rated. Victory has received "Honor" standing in all three areas – the highest designation attainable. Victory's reports can be found on our website under About Us/School Report Card. Of particular interest in these reports are the bar charts on pages 5-6 where Victory's student academic outcomes are compared to all Nampa-area public schools and the State as a whole.

Parental Involvement Policy & School-Parent Compact: Parents are welcome to review and provide comment on our school's parental involvement policy & school-parent compact. Hard copies will be available at the Back-to-School Barnyard Bash during the parent meeting portion of the evening. Comments can be returned to the school office or at [office@victorycharterschool.net](mailto:office@victorycharterschool.net).
