## Reimbursement Costs Per Student for Public Schools Choosing Not to Share Average Daily Attendance for the 2016-2017 School Year

### Academic Participation

Reimbursement costs for academic courses are based on the monthly per capita cost incurred by the Nampa School District. This cost is published by the Idaho Department of Education and is the foundation to establish tuition rates to be charged for curricular participation for the 2016-2017 school year.

The monthly per capita cost for an **elementary** student is **\$438.14**. Elementary tuition will be prorated based on the portion of the day the student attends.

The monthly per capita cost for a **secondary** student is **\$564.60**. At the secondary level, the semester charges are calculated by multiplying the per capita amount by 9 months, dividing by the number of classes offered, then dividing by two.

- In grades 6-8, a student may take up to seven classes, so the fixed amount per class will be **\$362.96** per semester ( $564.60 \times 9 \text{ months} / 7 \text{ classes} / 2 \text{ semesters}$ ).
- In grades 9-12, a student may take up to eight classes, so the fixed amount per class will be **\$317.59** per semester ( $564.60 \times 9 \text{ months} / 8 \text{ classes} / 2 \text{ semesters}$ ).

The reimbursement costs for academic participation cover costs paid by NSD including teacher salaries and benefits, textbooks/curriculum purchases, class supplies and building costs.

### Extra-Curricular Participation

Category	Activity	Cost
High School Cut Sports	Basketball, Baseball, Volleyball, Softball, Cheerleading, Soccer, Golf	\$460.00
High School Non Cut Sports	Track, Tennis, Cross Country, Wrestling, Football	\$360.00
Middle School Cut Sports	Basketball, Baseball, Volleyball, Softball, Cheerleading, Soccer, Golf	\$175.00
Middle School Non Cut Sports	Track, Tennis, Cross Country, Wrestling, Football	\$175.00
All Non-Athletic Extra Curricular Activities	Middle and High School Activities	\$300.00

The reimbursement costs for extra-curricular participation include use of school uniforms (other than those included in Spirit Packs), coaches' salaries, bus transportation to and from competitions and facility expenses. These fees are refundable if the student is cut from the team due to space availability.

Transportation Fees and Activity Card Fees are paid by the athlete at the school level and are not included within the fees listed above.
