Customer further agrees that at any time following expiration of the first 24 months of this Agreement, Contractor may increase the ongoing monthly charges specified above for the balance of the term and any renewal thereof. Such increases may be made no more frequently than once during any 12 month period. Customer agrees to pay the full amount of such increase that does not exceed a 15% increase over the previous 12 months' basic ongoing charges. If Contractor increases the basic ongoing charge by an amount greater than the 15% hereih agreed to, Customer may terminate this Agreement upon written notice to Contractor within 15 days of notification of such increase.

It shall be automatically renewed for consecutive terms of one year, unless one party gives written notice to the other at least 60 days prior to the end of the then current term of its intent to allow this Agreement to expire at the end of such term.

ADDITIONAL TERMS AND CONDITIONS:

1. Limitation of Contractor's Liability. It is understood that Contractor is not an insurer; that insurance, if any, is to be obtained by Customer independent of Contractor and this Agreement; and that the amounts payable to Contractor hereunder are based upon the value of the System and the Services and upon the scope of liability as herein set forth and are unrelated to the value of Customer's property or the property of others located at Customer's Premises. Contractor can give no assurance and makes no guarantee or warranty, including any implied warranty of merchantability or fitness for a particular purpose, that the System or Services supplied will avert or prevent burglary, fire, or other occurrences, or their related consequences, that the System or Services are designed to detect. It is impractical and extremely difficult to fix the actual damages, if any, that may proximately result from failure on the part of Contractor to perform any of its obligations hereunder. Customer does not desire this Agreement to provide for full liability of Contractor and agrees that Contractor shall be exempt from liability for loss, damage, or injury due directly or indirectly to occurrences, or their related consequences, that the System or Services are designed to detect; that if Contractor should be found liable for loss, damage, or injury due to a failure of service or equipment in any respect, its liability shall be limited to a sum equal to 10% of the annual charge for Services provided to the Premises or \$250.00 (whichever is greater) as the agreed upon damages and not as a penalty, as the exclusive remedy; and that the provisions of this paragraph shall apply if loss, damage, or injury regardless of cause or origin, results directly or indirectly to person or property from the performance or nonperformance of obligations imposed by this Agreement or from negligence, active or otherwise, of Contractor, its agents or employees. No suite or action shall be brought against Contractor more than one year after the accrual of the cause of action therefor. It is further agreed that the limitations of liability expressed herein shall inure to the benefit of and apply to all shareholders, parents, and subsidiaries of Contractor and all other companies or persons affiliated with Contractor hereunder by assignment. If this Agreement provides for a direct connection to a municipal police or fire department or other organization, that department or other organization may invoke the provisions hereof against any claims by Customer due to any failure of such department or organization.

IF CUSTOMER WISHES CONTRACTOR TO ASSUME A GREATER LIABILITY HEREUNDER THAN SPECIFIED ABOVE, CUSTOMER SHALL NOTIFY CONTRACTOR OF THAT FACT AND CONTRACTOR SHALL AMEND THIS AGREEMENT BY ATTACHING A RIDER SETTING FORTH THE MAXIMUM AMOUNT OF ADDITIONAL LIABILITY ASSUMED AND THE ADDITIONAL AMOUNT PAYABLE BY CUSTOMER FOR THE ASSUMPTION BY CONTRACTOR OF SUCH GREATER MAXIMUM AMOUNT OF LIABILITY. SUCH RIDER AND ADDITIONAL OBLIGATION SHALL IN NO WAY BE INTERPRETED AS MAKING CONTRACTOR AN INSURER.

Since the parties agree that Customer retains the sole responsibility for the life and safety of all persons in the protected Premises, and for protecting against losses to his own property or the property of others in the protected Premises, Customer agrees to list Contractor as additional insured on all insurance policies in effect at the above Premises. If Customer does not so list Contractor as an additional insured, Customer shall indemnify and hold harmless Contractor, its employees and agents, from and against all claims, lawsuits, and losses, including attorney's fees, by persons not a party to this Agreement, relating to the System or Services provided under this Agreement.

2. Limited Warranty. If Customer has purchased the System from Contractor, Contractor warrants that the equipment of the System will be free from defects in material and workmanship for a period of 90 days from the date the System is placed into operation. If, during this 90-day period, any equipment proves to be defective, it will be repaired or replaced, at Contractor's sole option, free of charge. This warranty does not apply (a) to any defect caused by damage (other than damage resulting from a defect) that occurred while the System was in the possession of the Customer, including damage resulting from accidents, acts of God, alteration, misuse, tampering, or abuse; (b) to defects resulting from Customer's failure to follow operating instructions properly; (c) to adjustments necessitated by misalignment of cameras, improper adjustment of monitor brightness and contrast tuning controls or insufficient light on an area viewed by a camera; and (d) to problems due to electrical power or telephone service outage. If Customer calls for service under this limited warranty and upon inspection by Contractor's representative it is found that one or more of the conditions described in the clause (a) through (d) led to the inoperability or apparent inoperability of the System, a charge will be made for the service call whether or not Contractor's representative actually works on the System. Should it be necessary to make actual repairs to the System due to conditions or circumstances not covered by this limited warranty, a charge will be made for such repairs at Contractor's then applicable rates for labor and material. Warranty service will be furnished by Contractor during its normal business hours, 8:00 a.m. to 5:00 p.m. local time, Monday through Friday, holidays excluded. THIS LIMITED WARRANTY DOES NOT APPLY TO ANY SECURITY SYSTEM OR EQUIPMENT LEASED BY CUSTOMER FROM CONTRACTOR.

THE FOREGOING WARRANTY IS IN LIEU OF ALL OTHER WARRANTIES, EXPRESS OR IMPLIED, INCLUDING, BUT NOT LIMITED TO, ANY IMPLIED WARRANTIES OR MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE. CUSTOMER'S EXCLUSIVE REMEDY WITH RESPECT TO ANY AND ALL LOSSES OR DAMAGES RESULTING FROM ANY CAUSE WHATSOEVER, INCLUDING CONTRACTOR'S NEGLIGENCE, SHALL BE REPAIR OR REPLACEMENT AS SPECIFIED ABOVE. CONTRACTOR SHALL IN NO EVENT BE LIABLE FOR ANY CONSEQUENTIAL OR INCIDENTAL DAMAGES OF ANY NATURE, INCLUDING WITHOUT LIMITATION, DAMAGES FOR PERSONAL INJURY OR DAMAGES TO PROPERTY, HOWEVER OCCASIONED, WHETHER
