## PARENT INVOLVEMENT

This year, all Title IA schoolwide schools in Idaho have undergone the process of updating their Title IA Schoolwide Plans per the new format required under the federal Every Student Succeeds Act. Part of this process includes the opportunity for parents to review and provide input if they'd like on the plan drafted for their students' school. Therefore, if you would like to review and provide input, you can find the draft plan on Victory's website at [www.victorycharterschool.net](http://www.victorycharterschool.net). Click on the Parents & Students tab, then on the Parent Involvement tab. If you have input you'd like to share, please do so in writing and send to [office@victorycharterschool.net](mailto:office@victorycharterschool.net). Please note that while the format is new, the process in which we carry out our Title IA services within our prescribed educational program, The Harbor School Method, has not changed. Therefore, be assured that the ways in which your children will be taught under this plan, or any other plan we must provide to the State Department of Education, are in alignment with our charter and performance certificate that have been approved by our authorizer, the Idaho Public Charter School Commission.
