PARENT INVOLVEMENT

It's great to be a Harbor School! Congratulations to our teachers, staff, students, parents, administration and Governing Board for Victory being named this week by the State Department of Education as one of Idaho's top performing high schools and goal-maker schools! (But, as a K-12 school, we'd like to expand the recognition here to include all our grades as we know it's a commitment from the earliest years to senior year that makes our student success possible!) Congratulations too, to our Harbor-founding school, Liberty Charter School, which was also named a high school top performer and goal-maker, and to our K-8 Nampa Harbor school, Legacy Charter, named a K-8 top performer and goal-maker! Check out one of many news stories on Victory's Facebook page, or go to the State Dept. of Education website, www.sde.idaho.gov, and click on the banner story. Thank you for helping get our year off to fantastic start!

Idaho's Homelessness response System -- Idaho has a standardized approach to homelessness response to address the needs of those experiencing a housing crisis, to help them gain access to programs & services, and to ensure those experiencing or at risk of homelessness that are seeking long-term housing solutions have consistent access to housing resources. In particular, individuals in need of housing assistance now have one, regional access point to work with -- for the Nampa area this is the Salvation Army, [403 12th Ave S, Nampa](http://403.12th.Ave.S.Nampa), 208-467-6586. Those in need of immediate shelter should continue to access emergency shelters, such as Nampa's Valley Women & Children's Shelter, 475-0725; and Lighthouse Men's Shelter, 461-5030. The school's homeless liaison is also available to assist in sharing & coordinating these resources; just contact the school office if you're in need of such assistance.
